Burleigh County Senior Adults Program

The Burleigh County Senior Adults Program is a 501(c)3 nonprofit organization designed to provide for the needs of the older adult residing in Burleigh County, ND.

Our mission is to enhance the lives of adults, age 60+, through nutrition, health maintenance, and outreach services as well as life enrichment activities. The program is committed to helping older adults remain healthy and independent through its services.

Programs are funded by the Older Americans Act Title III, the State of North Dakota, Burleigh County, United Way, local foundations and organizations, and individual donations and memorials.

Outreach Services

The Burleigh County Senior Adults Program Outreach Services provides seniors, age 60+, and their family members with information, support and assistance in assessing needs and accessing senior services. Services are provided through home and office visits and telephone contacts.

Nutrition Service

Senior Dining, in a social, congregate setting in Bismarck at the Bismarck Senior Center and Crescent Manor, and in Wing, ND at the Wing Senior Center, provides hot, nutritious meals and an opportunity for fellowship with others.

Frozen Meals are a great, nutritious option. Participants may purchase frozen meals prepared right at the Bismarck Senior Center to have available at home on weekends and holidays.

Home Delivered Meals provided to homebound seniors ensure their nutritional needs are met.

Health Maintenance Service

Health Maintenance Services, are provided by two licensed registered nurses and include foot care (nail trimming and a foot assessment), home visits, blood pressure screenings, and blood sugar screenings. Health Maintenance Services coordinates an Annual Flu Shot Clinic, a Senior Health and Learning Day, and provides healthy aging education on a one-on-one and group basis.
