Nutrition

GOOD NUTRITION IS A HEALTHY PART OF AGING

The Burleigh County Senior Adults Program works to reduce hunger and food insecurity, promote socialization, health and well-being, and delay adverse health conditions among older adults.

Our meals are a terrific option for older adults as they provide at least one-third of the minimum daily requirements for older adults. Each meal includes an entrée, potatoes, noodles or rice, vegetable, fruit, bread and milk. (We are unable to provide meals for special dietary needs.) Coffee and water are also offered at meal sites.

Meals, paired with other services and activities, provide older adults an opportunity for an active and healthy lifestyle.

HOME DELIVERED MEALS

Home Delivered Meals provides nutritious meals to older adults who are Homebound. The meals assist in maintaining and/or improving the health of a recipient, and in many cases, prevent premature and unnecessary institutionalization.

Along with other needed in-home services, these meals assist an older person in remaining independent and in their own home. Nutritious noon meals are delivered daily Monday through Friday. Frozen meals for evenings, weekends, and holidays are available.

Volunteers delivering the meals also provide a daily wellness check of a recipient. As health and mobility improves, a recipient may then be inclined to enjoy a meal and companionship at their local Senior Center.

Call for eligibility information — 701-255-4648.

COST OF MEALS

The Burleigh County Senior Adults Program is supported by federal, state and local funds. There are no fees for meals for adults age 60 and over. Participants may make a contribution toward the cost of meals they receive. The suggested contribution per meal is \$4.50. No one is denied meals due to an inability or unwillingness to contribute. Cash, check, credit card and SNAP/EBT are accepted. **The meal price for those under 60 is \$10.00.**

Mealtime is More Enjoyable When You are with Friends!

VOLUNTEER OPPORTUNITIES

The Burleigh County Senior Adults Program has many volunteer opportunities available! As a volunteer you may assist with packing or delivering meals, leading exercise classes, assisting in the dining room during meal time, teaching an art class and much more! If you are interested in making a difference in the community, enjoy working with older adults and would like to volunteer, please call 701-255-4648.
